

Bottoms Farm

The Barn Cottage

(Sleeps 4)

Set in Oakworth in West Yorkshire and surrounded by miles of unspoilt countryside, Bottoms Farm is a real find. Situated near to Haworth, Keighley, Hebden Bridge, Halifax, and Skipton, our holiday cottages are in the perfect location to give you a fantastic break. A haven of peace and tranquility for adults and children over 16 only.

Sitting in the grounds of this 35 acre sheep farm, with its own private road leading down to the farmhouse, are three self-catering cottages, each one luxurious and full of olde worlde charm.

The Barn holiday cottage sleeps up to 4 people in a double room and a twin room, and is the largest cottage at Bottoms Farm.

The Barn has electric central heating and a fully fitted modern kitchen with oven, hob, fridge freezer, washing machine and microwave.

The bathroom, which is on the ground floor in this cottage, is newly fitted for 2013 and has a large walk-in shower, basin, w.c and heated towel rail.

The open plan lounge area has Marks & Spencer sofas, wool carpets, oak dining furniture, large screen tv with freesat and cd player, plus free unlimited Wi-Fi. There is a stable door to outside so that guests can enjoy the spectacular scenery whilst relaxing indoors.

Both the double room and the twin room have quality mattresses and lots of storage in solid wood built in furniture. All rooms have a choice of luxurious feather or hollow fibre duvets.

There is a large patio overlooking the valley and each cottage has its own garden furniture with loungers and barbeque also available in summer.

Prices include all heating, electricity, bed linen and towels. A shared tumble dryer is also available for guests use (metered).

Unfortunately, we regret that to maintain the highest standards possible we do not permit pets or smoking in any of the cottages.
